COMMENTS:

Examiner Pope,

A Change of Correspondence Address form is enclosed. I thought that I had previously sent this in, but apparently not. With regard to Application S/N 10/644,606, I was questioned by the inventor regarding why things were taking so long, and so I went to the PAIR web site and found out that an Office Action was apparently mailed out on 5/14/23005. I have not received this action, and I believe that this may have been mailed to my former address in California. Please resend the Action to the above-listed address (i.e., the address on the enclosed Change of Correspondence Address form), or fax it to me at (7790) 867-0082. Thank you.

Regards,

Kenneth W. Float
